

Hiring and Onboarding

Recruit, track hire and onboard your team, all in one place.

We make it easy to compare, filter, evaluate, and invite the right candidates to join your team. Plus, you can skip the paperwork welcome wagon and onboard new hires (wherever they are) to your business at ease.

Key benefits for your business

Time-Saving Automation

Don't pay extra to pay your employees! Run payroll as many times as you need. It's unlimited with no hidden fees.

Track the Entire Process

Create and share job postings directly to job boards. Then compare, filter, interview, evaluate, and invite candidates to join your team.

Clear Communication

Deliver a positive candidate experience, promoting how your company communicates with applicants and what it would mean for them to work with you.

Seamless Self-Onboarding

Automated Onboarding provides a simple, streamlined electronic onboarding process that saves you time and stores employee information securely.

What's included?

Employee Hiring

- Create job postings and post directly to job boards
- Customize required fields
- Digital application forms
- Assign hiring lead
- Email notifications
