

# Fingercheck Payroll

## Unlimited payroll at one price. Modern payroll built to save you time & money

Fingercheck offers an all-in-one solution to simplify payroll—making it easier, faster, and error-free. With user-friendly tools and powerful features, we streamline paying employees, filing taxes, and staying compliant with labor laws, all in one platform.

Make your business more efficient and reduce payroll errors through automation.

Rely on our superior cross-channel customer support and Virtual Assistant to help your business move faster.

Combine payroll and workers' comp and pay premiums based on actualized wages.

Don't pay extra fees! Get unlimited payroll you can run in minutes, at one price.

## Experience the future of payroll today.

Don't take our word for it—check out customer reviews on [G2!](#)

### Pay On-Demand

Improve retention and talent acquisition. With Fingercheck, your employees can access their earned wages anytime with Pay On-Demand. No more waiting for payday or costly payday loans.

### PayCards

With earnings loaded directly onto the card each payday, it's just like direct deposit, but better. Plus, our Pay On-Demand feature allows your employees to access their funds in minutes, directly through their Payroll Debit Cards.

### Next-Day Pay\*

Running late? No problem. With Fingercheck, you can process payroll by 6:15 p.m. (ET) and deposit your employees' paychecks the next business day.
